

ARES District 4 Net Script

Jan. 07, 2021 Rev (net date)

Script Rev 09-04-2019

Good Evening everyone and welcome to the South Texas District 4 ARES net. This is

Tom (name) K5BV ARES EC for Aransas & San Patricio Counties
(position e.g. member, AEC, etc. & County)

I will be the Net Control Station for tonight's net. First, if there are any stations with priority or emergency traffic please call K5VB (call) at this time. UN-KEY

Either say "**nothing heard**" or handle the traffic immediately.

All hams in all Counties are welcome to check in to this net. You do not need to be an ARES member to participate in this net.

The purpose of ARES, the Amateur Radio Emergency Service, is to furnish emergency communications via amateur radio when regular means of communications fail or become inadequate during an emergency situation. ARES is sponsored by the ARRL, and supported by area radio clubs and individual hams. The only qualifications for ARES are that you possess an amateur radio license and you have a desire to help others. For more information or off-net questions please contact one of the following by email

Mark Dist. 4 EC ----- ad5ca@arrl.net
Tom EC for Aransas & San Patricio County ----- k5bv@arrl.net
Bob Asst EC for Aransas County ----- kf5cfu@arrl.net
Jim EC for Live Oak County ----- w5im@arrl.net
Harley EC for Kelberg County ----- kg5ayd@arrl.net

The net is currently scheduled monthly for the First Thursday at 8:00 PM. This is subject to change. We are currently using the 147.080 MHz repeater in Sinton with a (+) Plus offset and a 107.2 tone.

This net is being conducted for the purpose of providing training and information related to emergency communications; to serve as a forum for discussion; and to foster fellowship among Amateur Radio operators.

Next, are there any operators who would like to make an announcement or provide information related to EmComm? This is not general check-in. Please state your call now.

Tonight after Check-In there will be a planning session for the upcoming year.

For Check-In, if the frequency has been clear a second or two key the MIC and s-l-o-w-y give your FCC call sign using ITU phonetics spoken clearly and slowly and UNKEY. Stating your name as well will be appreciated. Writing calls down takes a moment so allow a couple of seconds. Keep checking in and calls will be reviewed for clarifications, errors and missed calls. Please check-in with K5BV (Call) now.

(note these actions)

- *read each call back,*
- *ask for corrections*
- *ask for additional check-ins*

We will have go down the check-in log for suggestions, offers to help and with this monthly net this year.

Thank you each of you.

If there are there any there any late check-ins please provide your call now.

- *go down list of late check-ins*

After hearing the suggestions does anyone have comments or did something come to mind?

Please state your call and you will be recognized.

THIS IS K5BV - We had XX check-ins tonight. Thank you all for joining the ARES net tonight, and thanks to the repeater for the use of this fine repeaters. I am now closing the net and returning these repeaters back to normal amateur radio use. Stations may remain on frequency to make additional QSOs.

Net Control K5BV Out.
